Rental Application

Adopted April 2021

If you are currently leasing or plan to lease your Towns at Lakeside townhome, please be aware that your Board of Directors has adopted the attached additional rules and regulations with respect to the leasing of all homes with the Towns community. Due to the high percentage of rentals and the number of deed restriction violations, the Board believes that a majority of the current tenants are not aware of the policies already contained in the Declaration of Covenants, Conditions, and Restrictions of the Towns at Lakeside (“Declaration”).

Effective February 26, 2009, the Association will require that the attached Owner/Tenant HOA Disclosure & Acknowledgement (hereinafter “Disclosure”), Tenant Profile Form (hereinafter “Profile”), and a copy of the lease form be provided to The Towns HOA by mail, e-mail or fax prior to the tenant taking occupancy. Additionally, any owner who already has a lease on their unit shall immediately obtain the signature of their tenant on this Disclosure, and have them complete the Profile and return to the Association. Tenant awareness is very important in order to maintain an orderly, safe and harmonious way of life for all residents of The Towns.

Please recognize that as leases are renewed each year, updated copies of the Disclosure, Profile and lease form must be provided to the HOA each time a new or revised lease is executed, and the tenant(s) must be provided with a copy of the most current Rules and Regulations of the Association. All pertinent HOA documents can be downloaded from the community website at www.townsatlakesidehoa.com.

We ask that you read the attached proposed Disclosure and Profile carefully. You may then download the approved forms and all applicable rules and regulations from the website beginning January 27, 2015 and provide them to your tenants for signature. Should you have any questions or concerns, please contact James Ro, Community Association Manager, at 941-378-0260.

Thank you for your cooperation in this matter.

D. No non-registered vehicles such as a car, truck, motor bike, motor cycle, motor scooter, moped, or the like, may be operated within the property or permitted to be parked or stored on any lot or any property owned or controlled by the Association.

The owner of the lot or dwelling unit to whom such vehicle belongs or to whom the operator of such vehicle is a family member, visitor/guest or invitee shall reimburse the Association for any costs incurred by the Association and the Association shall have the right to seek any and all available remedies to enforce collection of such reimbursement, including but not limited to filing a lien against the lot to secure payment. Any cost or expenses necessary to recover the towed or removed vehicle shall be borne by the owner or operator of the towed or removed vehicle. The Association Board of Committee Members, designee, management company representative or agent will not be responsible collectively or individually for any damage caused to a vehicle while being towed or stored.
